virginians for better transportation

Sign Up To Receive Updates about VBT and Efforts to Solve Virginia's Transportation Funding Crisis www.itstimevirginia.org

It's time. Virginia continues to face a transportation funding problem of crisis proportions. If a long-term, sustainable, multimodal transportation funding solution is not determined soon the quality of life of every Virginian for years to come will be greatly impacted.

Please send me future updates on the transportation funding crisis. I understand that by receiving this information, *I will not be listed as a member or supporter of VBT unless I grant permission below and I am not endorsing any particular means of addressing these problems.* My contact information will be kept confidential and will not be shared with anyone, and I can remove myself from the distribution list after any future communication. (Please print legibly.)
